

Spotlight on the Arts Application 2020 – 2021

We are pleased to be hosting **Spotlight on the Arts**, open to all members of the Arts Council. Established to increase the exposure of local artists and organizations, to develop the art market and to be known as a significant promoter of arts and culture in the Haliburton Highlands. Every month we will be featuring an artist or organization/business in our County working in the Arts on our social media, website, newsletter and calendar.

Our featured artists and organizations will represent a variety of creative disciplines – art, music, film, dance, storytelling, textiles, ceramics, painting & drawing, jewelry, woodworking and more.

We welcome those who would like their work to be seen by visitors to our ACHH sites and to promote the Arts as a significant element in Haliburton Highlands.
